

Bangor Public Schools

"Providing Educational Excellence as a Pathway to Success"

October 4, 2022

Dear Families,

Each year, our school typically holds a meeting with families to let you know about our Title I program. At this meeting, parents also have an opportunity to provide feedback on the program and our parental involvement plans. We will review the following three documents at the meeting:

- Our [District Parental Involvement Policy](#)
- Our [Parent and Family Engagement Plan](#)
- Our [Parent-School Compact](#)

After speaking and listening with a district representative and/or reviewing the documents above, please complete this [brief survey](#) to provide any feedback about the documents.

Thank you for participating in our Title I Meeting. This feedback is important to our school, and we appreciate your time.

Sincerely,

Essence Williamson, Principal
South Walnut Elementary

Paul Marfia, Principal
Bangor Middle School

Steve Galvan
Bangor Career Academy

Eric Adams
Bangor High School

Dannielle McGuire
Director of Instructional Services, Federal and State Programs
