

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement between parents, students, and teachers. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Focus on student learning
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer
